OUR CLIENTS

EXPERTISE

Hotel and Spa Essentials is headed by Dr. Mike Turvill, who holds a Doctorate in Organic Chemistry from Nottingham University, UK and has over 20 years international experience in manufacturing, product development and sales. Mike works with a highly seasoned team of experts in product formulation and development, graphics design, customer service, marketing and distribution.

PASSION FOR QUALITY

Hotel and Spa Essentials is uncompromising in quality. It's Quality Control team ensures that only the best and most carefully screened products are delivered to your hotel. HSE only selects partners and suppliers who share similar values of customer focus and quality. Hotel and Spa Essentials is fully compliant with all government regulations and has been a recipient of the 2013 Philippine Quality Challenge Award.

INNOVATION, COST SAVINGS & SUSTAINABILITY

Hotel and Spa Essentials introduces innovative products designed to save you money and protect the environment, like the revolutionary Eco-knit Towels, amenity packaging made with Eco-pure additives and a 3 year guarantee on many Corby products.

CUSTOMER FOCUS

Hotel and Spa Essentials is your partner in enhancing your guests' experience. We endeavor to provide only the highest levels of customer service to you. We customize products according to your requirements.* We help you plan and anticipate your stock requirements, keep stock in our own warehouse to ensure that what you need is easily made available to you.
